Manitex Unveils New Tilt Cab at ICUEE 2011.

GEORGETOWN, Texas – On October 4th, Manitex unveiled their new tilt cab at ICUEE 2011. Manitex is an industry leader in the global truck mounted crane marketplace whose team of engineers are dedicated to continuously developing new state-of-the-art lifting solutions to provide a better product for its customers.

This new tilt cab has been designed around three defining principles of quality –functional performance, ergonomic excellence, and safety. “We have listened diligently to what our customers want and the result is an industry-leading cab with an innovative design, both inside and out” commented Paul Gibson, Manitex’s General Manager. The new cab is designed with a curved glass viewing area to offer crane operators better visibility and less neck strain. The new hydraulic system allows the operator to adjust the angle of the tilt cab from 0 to 20 degrees.

Key features of the new tilt cab:

- Curved glass for better visibility
- 0 to 20 degree cab tilt for better visibility and less strain
- Automotive door (minivan style)
- Reduced noise
- New heated cloth seat with 8 seat adjustments, lumbar support and adjustable head rest
- Sliding windows on both sides of cab
- Rear pop out window
- Top hinged hatch
- Standard diesel fired heater
- Retractable sun screen
- 12-volt DC outlet for cell phone chargers
- Cup holder
- E-coated cab for extended rust prevention
- New Electrical System
 - PLC crane controller
 - CANBUS communication
 - J1939 Truck Engine Communication Capability
 - New hand throttle in addition to the standard foot throttle
- New LMI (Load Moment Indicator) System
 - Hirschmann/PAT iScout D3
 - Bright 7” color display
 - Screens for LMI, video cameras, electronic level, hour meter
- New Hydraulic System
 - Redesigned for greater efficiency
 - Relocated to turret for quieter cab

Available options for the new tilt cab:

- 2-video camera inputs
- Windshield cover
- Air conditioner
- Work lights
- Heavy-duty stereo radio with weather band
- Upper hatch guards
- Truck telemetry

As an industry leader in the global truck mounted crane marketplace, Manitex has become synonymous with engineered lifting solutions, which include boom trucks, sky cranes, aerial platforms and sign cranes. Manitex is a Manitex International company.
